Dear Fellow Researcher,

This record is like all others during this time period. The letters were made very differently and therefore it is very hard to be accurate.. Please consult the original.

You will find various spellings of what we consider the same family. You will need to use your imagination with these...there are several we just could not be sure of.

We sincerely do hope you will find this record useful in your research project.

Copied from microfilm copy of the original.

- 19 Last Will of Joseph Deal Sen., "of the county of Warren?? and state of Tennessee, being weak of body but of perfect mind and memory. Thanks be given to God and Calling to mind the mortality of my body and Knowing that it is appointed for all men once to die, do make this my Last Will and Testament. That is to say principally and first of all, I give and renounce my soul into the hand of Almighty God, that give it; and my body I recommend to the earth, to be buried in a decent manner at the discretion of my executors.. Nothing doubting that at the general resurrection I shall recieve the same again, by the mighty power of God, --- dispose as touching such ever earthly estate, where it hath pleased God to bless me in this life with. I give, demise/devise and dispose of the same in following manner."
Item 1st; I give to my wife Margaret, my negro man James and my negro woman Amey, the wife of James and all their children not otherwise disposed of. Together with all my beds and bedsteads and furniture for her own proper use. The giving of such of children as may need as thay have received that have married and gone already, that being considered so much of their part, also as much of the household and kitchen furniture that she may deem proper, also as many horses, hogs and cattle, that she may feel necessary for herself and those of the children and Black people that may stay with her and be it further understood that my will is that the plantation and mills and all things pertaining to be sold at a fair price. If not the executors to decide what is best in the interest of my estate. Meanwhile there must be due care taken for the comfort of and support of my wife and such that may compose her family. They are to provide a suitable place for the wife and family that she will approve of as long as she may live. After her death all remaining to be sold and divided amongst my children.
Item 2.. after all debts paid, it is his will that the estate be divided amongst all my children, taking into consideration what each has already received.
Item 3; My son Samuel Dial/Deal has already been given \$600.00 worth of land he lives on and other property, He is now to have property title to the land.
Item 4; My son John Dial has already received \$420.00 in cash and other property.
Item 5; Also it is considered that my son, Joshua Dial has been given \$600.00 in lands he now lives on and other property and he should have proper title to lands now.
Item 6; Elizabeth Wilson has already recieved \$420.00 in a negro girl named Rhoda and other property. This Rhoda is to be consid-

ered the property along with the increase of Elizabeth during her lifetime. None of the increase to be sold by any means or any person. At the death of Elizabeth, Rhoda along with all the increase to be divided among the female heirs of the body of Elizabeth.

Item 7; It is considered that Katherine Randolph has also rec'd \$420.00 in a negro girl named Latisha and other property and Katherine now being dead, her three children Perry D. Randolph, Henry Randolph and Martha Ann Randolph stand as her legal representatives in this matter. The executors are to manage the estate until these children reach the age of 21 years or marry, in which case it is understood that the two boys have that might fall to their share of my estate equally divided among them. The daughter to have the negro girl Letiticia and her increase. If the said negro girl dies without issue before Martha Ann reaches age 21 or marries, it is then my wish that she divide equally among the moveables.

Item 8; It is considered that Shadrack Dial has recieved \$500.00 in land and property.

Item 9; It is considered that Enoch Dial/Deal has rec'd \$500.00 in land that he now lives upon.

Item 10; Joseph Dial has rec'd \$100.00 in a horse and other property and if Joseph thinks it proper he may take the lands adjoining Enoch Deals, he can have it for \$400.00. If he refuses the land must be sold and his share made up in someother way.

Item 11; Phillip Deal has had nothing, it is my desire that he have a horse and other articles, as all the rest have had.

He is to have full equal share made up to him by executors.

Item 12; My daughter Margaret is to have a negro girl named Mary the daughter of Sabra, I consider that she has rec'd \$420.00 for her distribution share.

Item 14; My daughter Elenor have or be dealt with as the others that have gone before, and that she to have a negro girl Amy, the daughter of Sabra, valued at \$320.00.

Item 15; To my daughter Esther Charlotte a negro girl named Sabra, and \$100.00 in such things as the older children have had.

It is my will that the last two legatees need their special legain?? or should they need them before it is thought the said negro girl be worth what they are rated at, that executors are to make up difference.

Item 16; My son Caleb Deal/Dial, has not been named as yet in my will, that he receives his full share and as I have doubts of his being capable of transacting his own business agreeable to the tenure of the will, that is if time proves him incapable of managing his business, to return and manage it for him.

Item 17; Should my wife marry again, all I have given her is to be taken away, and treated as if she were dead.

Item 18; To make the life as easy as possible for the persons of colour, it is my will and desire that no one of them be found

- 19 to live with the legatees who have claim to them. (More here does not really make sense, but the legatees are to take something of other value if the Blacks wish) If the accommodations cannot be made among them out of the family, the family will do as so the servant is pleased.
Item 19; Some of my Blacks have not been named in my will, Lewis and Sabra and her two children/sons, Nelson and Jefferson who are the sons of Amey to be sold among the heirs or any person who will give a fair price for them, so long as the servant is pleased.
